

1839

Marathon B. Lamar, 2nd elected  
President of Republic of Texas  
appointed 5 commissioners to  
select a permanent location  
for the capital of TX which  
had moved among several temporary  
sites. Lamar favored a settlement  
along the Colorado River known as  
WATERLOO

the commissioners purchased 7,735  
acres in the new capital, naming it  
Austin in honor of James Texas  
Coombs Stephen F. Austin.

Within a few years water began

flowing out Austin. It grew. The  
city had out of normal crops "over

1839

Beaumont

The first Protestant religious service  
was conducted in Beaumont in 1811  
by Methodist missionary Samuel  
A. Williams (1810-1866)

It would lead to the creation of the  
village's first wholly constructed building  
in 1874 intended only as a classroom  
to be shared by Methodists & Baptists.

Feb 20, 1839

Congress prohibited dueling  
in the District of Columbia.

May 1839

Waller arrived on site of Austin with a crew of 200. They began surveying & constructing some of the first buildings, including a temporary wood-frame capital joint west of present-day Colorado and Eighth.

An auction of city lots had been set for Aug 1839.

St. Paul, Minn.

Capital of Minn. Named from a rude  
log chapel at corner of Third and  
Minnesota streets erected by  
Father Lucien GALTIER when sent  
out by Bishop DUBUQUE, who visited  
the site (1839)

Previously known by Indians  
as Imnijiiska, "White Rock."

1839 - I (re 1839 - II)

(This story is dead wrong). See (over)  
Mexican soldiers from El Paso  
ambushed an Indian raiding  
party at what today is HUECO TANKS  
State Historical Park, in the box  
canyon called the Amphitheater.  
Reportedly the Mexicans killed  
some 100 to 150 Apaches.  
The strategy backfired. In retaliation of  
a massacre of his people by them

scaps, MANUS COLORADO, the greatest  
Apache chief, mounted a tour

campaign of vengeance.  
The same story of 1761/50 due to dead army  
there were in Apache in the Great  
that time. The rest of the story, even  
though it was added to in 1851 & in 1853

Really in 1839, there was a 10 day rage that  
involved nothing, depopulation and drama.  
It involved more to KLOWAS

See the end 1839 II

1839-II

## KIOWAS

Led by GUADALONTE and accompanied by DOTTASAN, the principal chief of the KIOUAS, they rode from homelands centered in TX Panhandle and western Oklahoma to raid Los Pasos (El Paso). Reaching El Paso they turned back - discouraged by the huge military contingent. They encamped in the "amphitheater", they felt secure - posted no look-outs. They were surprised at

Commence here. The Mexican soldiers killed  
several of the Kuma forces. The Kuma  
believe that the soldiers killed were 15 CETA  
on foot the guide were THUVAS gun 15 CETA  
prisoners of war. The soldiers were laid  
out. Attempting to get H20, D4501 was  
wounded in the leg. At night the Kuma  
managed to back some Kuma must  
one Kuma found a hole in a cave. Wounded his leg  
up & was seen by Mexican soldiers who  
killed the hole. The rage continued in  
10 days. The Kuma waited for night. Climbed  
a tall tree - we jumped to safety leaving D4501  
behind. 19/12/1978 (Kuma) escaped in Mexican uniforms  
by morning then he to come down from trees

1839

Washington-on-Brazos

Had become major political center  
In 1839 it had numerous commercial  
establishments, 2 hotels, 4 general stores.

It declined rapidly in 1860's  
when the railroad bypassed it  
and steamboat shipping ceased  
on the Brazos river.

Oct 17, 1839

President Lamar of Texas and his ~~cap~~ cabinet arrived at Austin, a city raised in a mere 5 months.

The work is hauled in everything by ox cart, mule, and horseback - lumber from a few miles north & other building materials, food, clothing and various necessities from Galveston.

Oct 1839
